WORK EXPERIENCE

Liulishuo IT Inc. Front-end Developer

April 2021 - July 2021

I love to work in website designing. Because I love to solve the design problem and find easy and better solutions to solve it.

I delivered intuitive and fast websites, web portals, and other web solutions that bring about digital transformation and enhance business workflows.

Starlabs Inc. Front-end Developer

March 2020 - November 2020

Developed membership, event, and legal platform technology solutions, and automated internal processes.

EDUCATION

2019-2023 (EXPECTED)

University of Business and Technology

Bachelor of Computer Science (BCompSc), Computer science
